The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS: THE HIGHWAY SAFETY,  
TRAFFIC REDUCTION, AIR QUALITY AND PORT SECURITY BOND ACT  
OF 2006 (PROPOSITION 1B) – LOCAL STREETS AND ROAD IMPROVEMENT,  
CONGESTION RELIEF, AND TRAFFIC SAFETY ACCOUNT OF 2006  
APPROVE REQUEST FOR APPROPRIATION ADJUSTMENT  
APPROVE ROAD CONSTRUCTION PROJECT LIST  
(ALL SUPERVISORIAL DISTRICTS)  
(4 VOTES)**

**SUBJECT**

This action is to approve a Request for Appropriation Adjustment and the project list so the Department of Public Works can request the Proposition 1B funding and commence work on the projects.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve a Request for Appropriation Adjustment in the amount of \$76.9 million to reflect in the Road Fund Budget the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006 (Proposition 1B) funds to be apportioned to the County of Los Angeles by the State in Fiscal Year 2007-08 under the Local Streets and Road Improvement, Congestion Relief, and Traffic Safety Account of 2006.
2. Approve the list of proposed road improvement projects to be financed with Proposition 1B funds.

The Honorable Board of Supervisors  
April 15, 2008  
Page 2

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to obtain your Board's approval of an appropriation adjustment to reflect Proposition 1B funds in the 2007-08 Road Fund Budget and approval of the projects to be constructed in each Supervisorial District using these funds, as required by the State Department of Finance. These actions will enable the Department of Public Works (Public Works) to receive the funds and proceed with the road improvement projects.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs that we provide Community Services (Goal 6). By addressing local traffic congestion and improving the condition of the roadways in the County of Los Angeles (County), residents of unincorporated County areas and nearby cities who travel on County roads will benefit and their quality of life will be improved.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

Funds appropriated for the Local Streets and Road Improvement, Congestion Relief, and Traffic Safety Account of 2006 will be made available to the State Controller for allocation to the County. The estimated allocation of \$76.9 million will be deposited in the Road Fund (B03). The attached Request for Appropriation Adjustment increases the Services and Supplies Appropriation by \$6.9 million to finance projects planned for construction this fiscal year and increases the Designation for Proposition 1B projects by \$70 million. As construction contracts are planned for award in future fiscal years, the designated funds will be appropriated in the annual budget process. This will provide the required accountability over Proposition 1B funds by ensuring that these funds are only spent on eligible projects.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Proposition 1B, which was approved by the voters in November 2006, authorized the sale of \$19.925 billion in general obligation bonds for various transportation programs throughout the State, including congestion relief projects, public transit, and goods movement. Proposition 1B provides for the State Legislature to appropriate funding for these programs over a multiyear period.

The various transportation programs will fund projects through a combination of direct allocations to local agencies and competitive grants. One of these programs is the direct allocation of funds to cities and counties under the Local Streets and Road

Improvement, Congestion Relief, and Traffic Safety Account of 2006. Under this program, \$1 billion will be allocated directly to counties and \$1 billion will be allocated to cities. The funds must be used for improvements to address local traffic congestion, street and highway pavement maintenance, drainage facilities, traffic control devices, facilities that expand ridership on transit systems, and safety projects to reduce fatalities. Of the \$1 billion allocated to counties, the County will receive approximately \$194 million.

The 2007-08 State Budget includes an initial appropriation of \$950 million of the \$2 billion allocated to cities and counties under the Local Streets and Road Improvement, Congestion Relief, and Traffic Safety Account of 2006. Of the \$950 million allocated in 2007-08 to cities and counties, the counties will receive \$400 million. The County will receive approximately \$76.9 million of the \$400 million to be apportioned to counties Statewide. The County will receive its remaining \$117.1 million in future years as the State Legislature appropriates the funding.

Under the program guidelines, the County is required to have a list of projects approved by your Board for the expenditure of the funds. Attachment A consists of a list of projects representing the \$76.9 million to be received in Fiscal Year 2007-08. The funds have been divided between the five Supervisorial Districts using a similar distribution formula to that used to allocate the funds by the State to each county. This formula provides that 75 percent of the funds are allocated based on the number of registered motor vehicles in the County, with the remaining 25 percent allocated based on roadway centerline mileage in each jurisdiction. This formula provides that 75 percent of the funds are divided equally among the five Supervisorial Districts, with the remaining 25 percent allocated based on roadway centerline mileage in each jurisdiction. Upon adoption, we will forward this list to the State Department of Finance along with a request for disbursement of the County's apportionment of funds.

Generally, transportation revenue is allocated to each Supervisorial District in the same manner in which the funds are allocated to the County. Attachment B shows the allocation formula used for State Highway Users Tax, Proposition A Local Return funds, Proposition C Local Return funds, Assembly Bill 2928 funds, Proposition 42 funds, and Proposition 1B Local Streets and Roads funds.

In the event of an emergency, any expenditures for immediate roadway opening and debris removal that are not eligible for reimbursement from any Federal or State programs is high priority and financed from the appropriate gas tax funds. Any permanent roadway restoration work resulting from emergencies is financed by the involved Supervisorial District from their Road Construction Program. In addition, the repair of damage resulting from preexisting conditions, such as landslides, is also financed by the involved Supervisorial District. If the cost to address a significant

The Honorable Board of Supervisors  
April 15, 2008  
Page 5

~~emergency exceeds the annual allocation for a Supervisorial District, the Chief Executive Office shall identify funding sources to finance the cost of damaged roadways not reimbursed from Federal and State programs.~~

If a significant event occurs, (e.g. landslide, sink hole, flood, etc.), requiring roadway repair or debris removal, the Chief Executive Officer and the Director of Public Works will work together to address the necessary restoration to allow reopening of the roadway. Funding for these significant road-related events will be identified by the Chief Executive Office separate and apart from the Supervisorial District funds.

### **ENVIRONMENTAL DOCUMENTATION**

In accordance with Section 15378(b)(4) of the State of California Environmental Quality Act Guidelines (CEQA), the acceptance of Proposition 1B bond proceeds does not constitute a project and therefore is not subject to the requirements of CEQA. An environmental review and the appropriate environmental document for each project will be prepared and submitted for your Board's approval at the appropriate time.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Upon completion of the projects, motorists will be provided with safe, smooth, and aesthetically pleasing roadways.

### **CONCLUSION**

Please return one adopted copy of this letter to Public Works, Programs Development Division, for further processing.

Respectfully submitted,

WILLIAM T FUJIOKA  
Chief Executive Officer

**County of Los Angeles  
Department of Public Works  
Allocation of Transportation Funds to  
Each Supervisorial District**

**State Highway Users Tax**, also known as the Gasoline Tax, is levied at a fixed rate of 18 cents per gallon. The vast majority of the funds are allocated to the counties based on the number of registered motor vehicles in each county. The County's share of these funds (about \$125 million per year) is first allocated to our critical road operations and maintenance needs (e.g., traffic signals, pothole patching, signing and striping, judgments and settlements, etc.) without regard to Supervisorial District boundaries. The remaining balance is used for new construction projects and divided equally among the Supervisorial Districts.

Gas tax revenues increased by only 5 percent from FY 2000-01 to FY 2006-07; however, these increases have not kept pace with inflation of almost 30 percent. Over the past several years, we had been able to maintain new project funds at \$35 million per year by improving the efficiency of our operations and also maximizing and accelerating the use of Federal funds available to the County.

Gas tax and miscellaneous revenues are projected to be lower in FY 2007-08, while our ongoing operation and maintenance costs have risen dramatically. Operations and maintenance costs are projected to increase nearly \$35 million over FY 2006-07 figures. These increases are particularly significant in settlement of claims (over \$7 million) and also in the graffiti, land development, traffic signal maintenance, street sweeping, vegetation control, and parkway tree trimming programs. As a result, we have not programmed any new gas tax funds for construction projects in FY 2007-08.

Gas Tax projected to be received in FY 2007-08:	\$125 million
Miscellaneous Revenue:	13 million
Operation and Maintenance Costs:	<u>(138 million)</u>
Remaining Revenue:	\$ 0

**Proposition A**, the half-cent local sales tax for public mass transit approved by the voters in 1980, provides for the return of 25 percent of the funds collected to the cities and the County. The funds are distributed to each city and the County based on population. For the portion allocated to the County (approximately \$17million per year), the Board established a 10 percent top-of-pot for Countywide transit programs, with the remaining 90 percent to be allocated to each Supervisorial District based on unincorporated area population.

Proposition A Local Return revenue - FY 2007-08:	\$17.5 million
Top-of-Pot Program:	<u>(1.4 million)</u>
Remaining Balance:	\$16.1 million

Proposition A Local Return funds – FY 2007-08

SD	Unincorporated Population	Percentage	FY 2007-08 Allocation
1	327,631	33.18%	\$5,368,000
2	218,892	22.17%	3,586,000
3	20,847	2.11%	342,000
4	161,741	16.38%	2,650,000
5	258,426	26.17%	4,234,000
<b>TOTAL</b>	<b>987,537</b>	<b>100.00%</b>	<b>\$ 16,180,000</b>

**Proposition C**, the half-cent local sales tax for public transit and related infrastructure approved in 1990, also provides for the return of 20 percent of the funds collected to the cities and the County. The funds are distributed to each city and the County based on population. For the portion allocated to the County (approximately \$15 million per year), a top-of-pot program of \$2.5 million per year was established by the Board for the Countywide traffic signal synchronization program. The remaining funds are allocated to each Supervisorial District based on unincorporated area population.

Proposition C Local Return Revenue - FY 2007-08:	\$15.0 million
Additional revenue from prior fiscal year:	5.4 million
Top-of-Pot Program:	<u>(2.5 million)</u>
Remaining Balance:	\$17.9 million

Proposition C Local Return funds – FY 2007-08

SD	Unincorporated Population	Percentage	FY2007-08 Allocation
1	327,631	33.18%	\$5,969,000
2	218,892	22.17%	3,988,000
3	20,847	2.11%	380,000
4	161,741	16.38%	2,947,000
5	258,426	26.17%	4,708,000
<b>TOTAL</b>	<b>987,537</b>	<b>100.00%</b>	<b>\$ 17,992,000</b>

**AB 2928**, signed into law in 2000, provided a portion of the sales tax collected on gasoline to cities and counties for rehabilitation of streets and roads. These funds were distributed to each county by formula. Seventy-five percent was allocated based on the number of registered motor vehicles in each county (including incorporated and unincorporated areas). The remaining 25 percent was based on the number of roadway miles maintained by each county in unincorporated areas. The funds received by the County were allocated to each Supervisorial District using the same formula.

The last year the County received funding under AB 2928 was FY 2002-03.

**Proposition 42**, approved by the voters in 2002, extended AB 2928 and also provides that a portion of sales tax collected on gasoline is to be allocated to each county based on the same formula as AB 2928. These funds are allocated to each Supervisorial District in the same manner.

Proposition 42 funds – FY 2006-07

SD	Roadway Centerline Miles	% of Centerline Miles	25% of Total Prorated By Centerline Mi.	75% of Total Divided By 5	Total Allocated
1	469	14.76%	\$1,568,007	\$6,375,000	\$7,943,007
2	388	12.21%	1,297,199	6,375,000	7,672,199
3	165	5.19%	551,644	6,375,000	6,926,644
4	385	12.11%	1,287,170	6,375,000	7,662,170
5	1,771	55.73%	5,920,980	6,375,000	12,295,980
<b>TOTAL</b>	<b>3,178</b>	<b>100.00%</b>	<b>\$10,625,000</b>	<b>\$31,875,000</b>	<b>\$42,500,000</b>

**Proposition 1B**, approved by the voters in November 2006, provides that funds under the Local Streets and Roads Program are allocated to each county under the same formula as AB 2928 and Proposition 42. We recommend that the funds be allocated to each Supervisorial District using the same formula. We believe this distribution method is equitable since it provides funding to both urban and rural areas that have many miles of maintained roads with little population. In addition, those Supervisorial Districts with large incorporated areas will receive a significant portion of the Proposition 1B funds through allocations to the cities.

Proposition 1B funds – FY 2007-08

SD	Roadway Centerline Miles	% of Centerline Miles	25% of Total Prorated By Centerline Mi.	75% of Total Divided By 5	Total Allocated
